# Lincoln-Way Area Special Education Joint Agreement Foundation

---

---

Mr. Ken Buck  
*President*

Dear Valued Supporter,

The Lincoln-Way Area Special Education District 843 Education Foundation, a Section 501(C)(3) organization, raises funds to issue grants for projects and equipment outside of the school district's budget. In the past, our Foundation was able to subsidize more than \$20,000 for projects and items that directly benefitted our students with special needs. Grants included in the past and in the future include the following areas: art, literacy, technology, math, music, physical education, science, social studies and character building programs.

This school year we will have a family bowling fundraiser! It will be from 12:00-2:00 p.m. on Saturday, April 22, 2017 at the Thunder Bowl in Mokena. This event will have auction baskets, giftcard wall, and a 50/50 raffle. Most importantly, there will be bowling, food, and an opportunity to enjoy time with friends and family while serving a great cause.

We are requesting your help to make our fundraising a success. Any gift to the foundation is tax deductible. Please know that your contribution will be put to good use as funds are raised, giving our students the opportunity to experience learning in a meaningful way.

Thank you in advance for your support! If you have questions or comments, please feel free to contact me.

Sincerely,

Ken Buck  
LWASE Foundation Event Chairperson
