

# Help Save the Environment!

## Recycling in District 843

The Mackay Center is participating in a recycling fundraiser!

- ♻️ We will be collecting old cell phones and printer ink cartridges.
- ♻️ We can earn up to \$4.00 for empty ink jet cartridges and up to \$12.00 for empty toner cartridges.

Help save the environment! Send your cell phones and ink cartridges to the Mackay Center or to the COOP main office through the inner office mail.

If you have any questions, call the Mackay Center at 815/463-8068.
